

## The Fig Tree Outreach Program Weekend Food for Children in Need

The Fig Tree Outreach Program is teaming up with the staff at **KAPS** to offer a supply of nutritious meals and snacks for kids for *two* weekends per month for the 2017-2018 school year. Though the program is intended to help those students whose families find it difficult to provide enough food for the entire month, all students at **KAPS** are eligible for this program.

If your child could benefit from this program, we encourage you to **sign them up by filling the form out below and returning it to the Foodservice Director**. Enrollment in the program will be kept confidential between the school and The Fig Tree Outreach Program.

Once your child is signed up, he/she will receive food items in his/her backpack two Fridays per month for the remainder of the school year or until you contact us to let us know your family no longer wishes to participate in the program.
